

Cook off Application

Please join us at the National Grits Festival with your entry in the Grits Cook off.

The rules are simple: Make a dish using the equivalent of at least ½ cup cooked grits (the more the better). Bring your dish to the Warwick Civic Center (downtown Warwick) between 9 and 10 AM April 8th, along with two copies of your recipe. Your recipe should have ingredient list, full directions and your name, address and phone number.

The judges will be your fellow Festival attendees in a taster's choice. Cash prizes will be awarded for 1st, 2nd, and 3rd places.
