

Cook Off Application

Please join us at the National Grits Festival with your entry in the

Grits Cook off.

The rules are simple: Make a dish using the equivalent of at least ½ cup cooked grits (the more the better!). Be sure to make plenty so that everyone can get a taste to vote for your dish. Bring your dish to the Warwick Civic Center (downtown Warwick) between 8:30 and 9:30 a.m. on April 8th, 2023 along with two copies of your recipe. Your recipe should have the name of your dish, ingredient list and full directions.

Entries will be limited, so sign up today.

Your dish(es) will be judged by a panel of judges with emphasis on taste and originality. Cash prizes will be awarded: 1st \$250, 2nd \$150 and 3rd \$75. In addition, fellow festival goers will vote for a “tasters’ choice” with a \$150 award for the winner. You may serve your dish for the “taster’s choice” or we will serve it for you.
