

**NATIONAL GRITS FESTIVAL**  
**WARWICK, GEORGIA**  
**THE GRITS CAPITOL OF THE WORLD**

Greetings from the National Grits Festival Committee! We are working hard toward an exciting festival in 2026. We extend a huge Thank You to those who have sponsored in the past, and we hope that you consider sponsoring our 2026 Festival – April 11, 2026. Each year, the National Grits Festival brings attention to Warwick, an agricultural and rural community in Southwest Georgia. Our festival has free admission, free parking and free contests! We rely on our sponsors to make this event possible. Any level of support would be greatly appreciated; your support helps promote the Warwick area and the uniquely American experience only provided by communities like Warwick.

The attached sheet shows the levels of sponsorship and what you can count on from the National Grits Festival to recognize your sponsorship. In addition, all sponsors may have a booth space if desired. We will be sure that all your clients, customers, friends and neighbors know that you support our community!

If you have any questions, please do not hesitate to contact me at 229-733-7329.

Thank you for your support,
